

JOSEPH HALCARZ

 (812)929-5381  jhalcarz@gmail.com  19 Teddy Bird Ln,
Bedford, IN 47421  <https://jhalcarz.site>

OBJECTIVE

Versatile professional with a unique combination of handyman skills and IT expertise, seeking a position that utilizes both technical and practical abilities. Eager to contribute to projects that require innovative problem-solving, efficient maintenance, and technical development. Committed to delivering high-quality results through effective communication and a hands-on approach, while enhancing operational efficiency in a dynamic environment.

EXPERIENCE

Presently

Collecting and pushing a trash cart at IU hospital. Walking 10+ miles a day.

2011 to 2024

RightOnes Handyman, Joe Pros Appliance Repair & Cleaning

Handyman, Cleaning, and Appliance Repair Business

Sole proprietor business owner that provided handyman, cleaning, and appliance repair services to property management companies and individual clients. Sales & Marketing skills were essential. Managed a small team for certain projects.

2000 to 2011

Joe Pros Computer Services

Owned and operated a small retail computer repair store in Lafayette, IN. Also worked on an ecommerce site for an electronics part supplier in Tucson, Arizona.

WHAT YOU GET

As you can see my passions are split but have become what I feel is an asset to anyone seeking an individual who can work independently as well as with a small team. Someone who is driven by the success of the project and a desire to truly help people.
